

Hi Year 4,

I hope you are all doing well.

Here is your English timetable for the week.

Monday: Create a plan for your warning story.

Tuesday: Write a first draft of your warning story.

Wednesday: Edit and upgrade your warning story.

Thursday: Write a final draft for your warning story.

Friday: Mrs Wordsmith.

This week, you are going to be inventing your own warning story. It can be about anything you like. Today, you will be planning it using a box-up. The box-up will help you with the structure and the storyline.
