

Hi Year 4,

Today, you will be writing a first draft of your warning story based on the plan that you made yesterday. Your story should include five paragraphs:

- Warning is given
- Warning is disobeyed
- Problem
- Resolution
- Ending

Remember to set the scene and introduce the characters with interesting description, and try to include:

- Fronted adverbials: suddenly, before sunrise, without warning.
- Possessive apostrophes: She peered over the cliff's edge.
- Direct speech: "Don't go near the river," warned Mum.
